

LHA Harvey Small Business Grant Application

The grant program is designed to provide funding assistance for small businesses to cover both physical and economic damage suffered as a result of Hurricane Harvey. This includes helping businesses replace needed capital assets as well as providing working capital to supplementing lost income due temporary closures and business inaccessibility.

Business Name and DBA:

Address:

Phone Number

Owner Name:

Address

Phone Number

Please provide a brief description of your business and its operations.

Number of FT and PT employees – if you have lost employees, will you be rehiring?

Narrative description of physical/economic damages sustained as a result of Harvey?

Current financial condition and resources – cash on hand, insurance proceeds, other loans (SBA, traditional bank, home equity, etc.).

How will the grant proceeds be used to sustain and grow your business?

What are the growth/expansion plans for the business going forward?

Do you plan to relocate your business within the Lake Houston six zip code region?
